Luke Monson

Richardson, Tx 75075 | 406-200-2854 | Luke.Monson@UTdallas.edu | Web site & Portfolio : https://luke-monson.github.io/ |

EDUCATION

University of Texas at Dallas May 2030

Bachelor of Science in Mechanical Engineering Hobson Wildenthal Honors College

Billings Christian High School, Billings, Montanna May 2026 (GPA: 4.0)

WORK EXPERIENCE

Montana Family Pharmacies, Columbus, MT (remote) (May 2024 – Current)

Data Analysis Intern

- Created and delivered weekly company-wide KPI reports that were used in strategic meetings.
- Normalized all incoming data to make them usable for the reprice and quote team.
- Created and delivered monthly supplier price audits to ensure that pharmacies were not getting overcharged.

ORGANIZATIONS & COMMUNITY INVOLVEMENT

Comet Satellite Lab Member, University of Texas at Dallas (August 2026-Current)

- Assembled and tested simulation CubeSats in partnership with Dr. Kangkook Jee's Cybersecurity Lab at UT Dallas

Student Council President, Billings Christian High School (May 2025-May 2026)

- Started an on-campus coffee shop fundraiser in December with $1,500 in revenue
- Stared and organized service days once a quarter where students could participate in community service projects instead of class.
- Organized community events, including a fall dance and a start of school retreat.

PROJECTS

Lunar Adjustable Multipurpose Stand – NASA Micro-g Team Lux UTD (2026)

Tools used: SolidWorks, SolidWorks Simulation

- Designed and modeled a Lunar Adjustable Multipurpose Stand that fulfilled all the requirements listed in NASA's Micro-g NeXT challenge description; Taught a teammate how to use SolidWorks.
- Produced technical documents and CAD illustrations for presentation in the project proposal.
- Performed preliminary FEA to guide team decisions (See Portfolio for more detail)

Groundhog Bluetooth-Controlled Car (2026)

Tools used: SolidWorks, Arduino IDE

- Designed, coded, and built a Bluetooth controlled car using an ESP-32 and DC motors. The car operates for 1.5 hours on battery power, has a signal range of 300m, and is controlled from a laptop.

TECHNICAL SKILLS

Excel –2.5 years of experience with Excel at Montana Family Pharmacies

SolidWorks – Proficient; Two projects completed using SolidWorks (See Portfolio). **Salesforce –** 2.5 years of experience at Yellowstone County Love INC

PERSONAL ACCOMPLISHMENTS

Eagle Scout, Scouting America (October 2025)

- Started a disaster preparedness initiative in Billings for my Eagle Project that utilized over 30 volunteers and 3 local organizations to increase awareness of the city's underutilized mobile emergency warning system. Distributed 3,000 informational door hangers and directly helped over 100 people sign up to the service at information booths stationed at local events

National Merit Scholar (May 2026)
